SBA Tops \$10 Million in Disaster Assistance Loans for Severe Winter Storms, Flooding, Landslides and Mudslides

SACRAMENTO, Calif. – Director Tanya N. Garfield of the U.S. Small Business Administration’s Disaster Field Operations Center-West announced today that SBA has approved more than \$10 million in federal disaster loans for California businesses and residents impacted by severe winter storms, flooding, landslides and mudslides that began Dec. 27, 2022. According to Garfield, SBA has approved \$267,400 for businesses and \$10,577,300 for residents to help rebuild and recover from this disaster.

“SBA’s disaster assistance employees are committed to helping businesses and residents rebuild as quickly as possible,” said Garfield. Businesses and residents in Calaveras, Merced, Monterey, Sacramento, San Joaquin, San Luis Obispo, San Mateo, Santa Barbara and Santa Cruz counties who sustained damages are encouraged to register prior to the March 16, 2023, deadline with the Federal Emergency Management Agency at www.disasterassistance.gov. “Don’t miss out on any assistance you may be entitled to by not registering for help. You don’t need to wait for your insurance to settle or obtain a contractor’s estimate,” she added.

SBA continues to provide one-on-one assistance to disaster loan applicants at all the federal-state Disaster Recovery Centers, SBA Business Recovery Centers, SBA Disaster Loan Outreach Centers, and Local Assistance Centers throughout the affected areas to explain SBA’s disaster loan program and help business owners and residents close their approved disaster loans.

Businesses of all sizes and private nonprofit organizations may borrow up to \$2 million to repair or replace damaged or destroyed real estate, machinery and equipment, inventory and other business assets. The SBA can also lend additional funds to help business and residents with the cost of making improvements that protect, prevent or minimize the same type of disaster damage from occurring in the future.

For small businesses and most private nonprofit organizations of all sizes, SBA offers Economic Injury Disaster Loans to help meet working capital needs caused by the disaster. Economic injury assistance is available regardless of whether the business suffered any property damage. The deadline to apply for economic injury is Oct. 16, 2023.

Disaster loans up to \$200,000 are available to homeowners to repair or replace damaged or destroyed real estate. Homeowners and renters are eligible for up to \$40,000 to repair or replace damaged or destroyed personal property.

Interest rates can be as low as 3.305 percent for businesses, 2.375 percent for private nonprofit organizations and 2.313 percent for homeowners and renters with terms up to 30 years. Loan amounts and terms are set by SBA and are based on each applicant's financial condition.
